

Bruce McLaughlin - Residential Glass Canopy

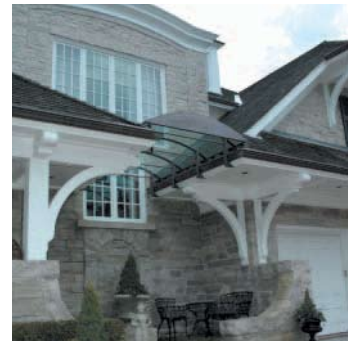

Location Mississauga, Ontario
Designer / Architect Soheil Mosun Limited
Duration Jan 2005 - Nov 2005

Scope - Soheil Mosun Limited was contracted to design, fabricate and install a custom residential glass canopy.

Highlights - Custom glass and bronze residential canopy is made of solid bronze rib supports with patina finish. The canopy was designed to fit onto existing structure and the curved glass allows for water to drain into existing eaves troughs and is laminated for safety.
