

One Queen Street East - Lobby & Business Lounge

Location Toronto, Ontario
Designer / Architect Gervais Harding Associates
Duration Oct 2004 - Dec 2005

Scope - Supplied (34) custom light fixtures, 216 linear feet of stainless steel canopies and (1) custom security gate.

Highlights - Our customer, 20 Vic Management, requested that we take on this project for a fixed budget amount that was 25% less than the quoted price. After extensive value engineering the final result was a beautifully crafted product, completed within budget, without any compromise to design intent.
