

A. M. Goldman - Exterior Clock Sign

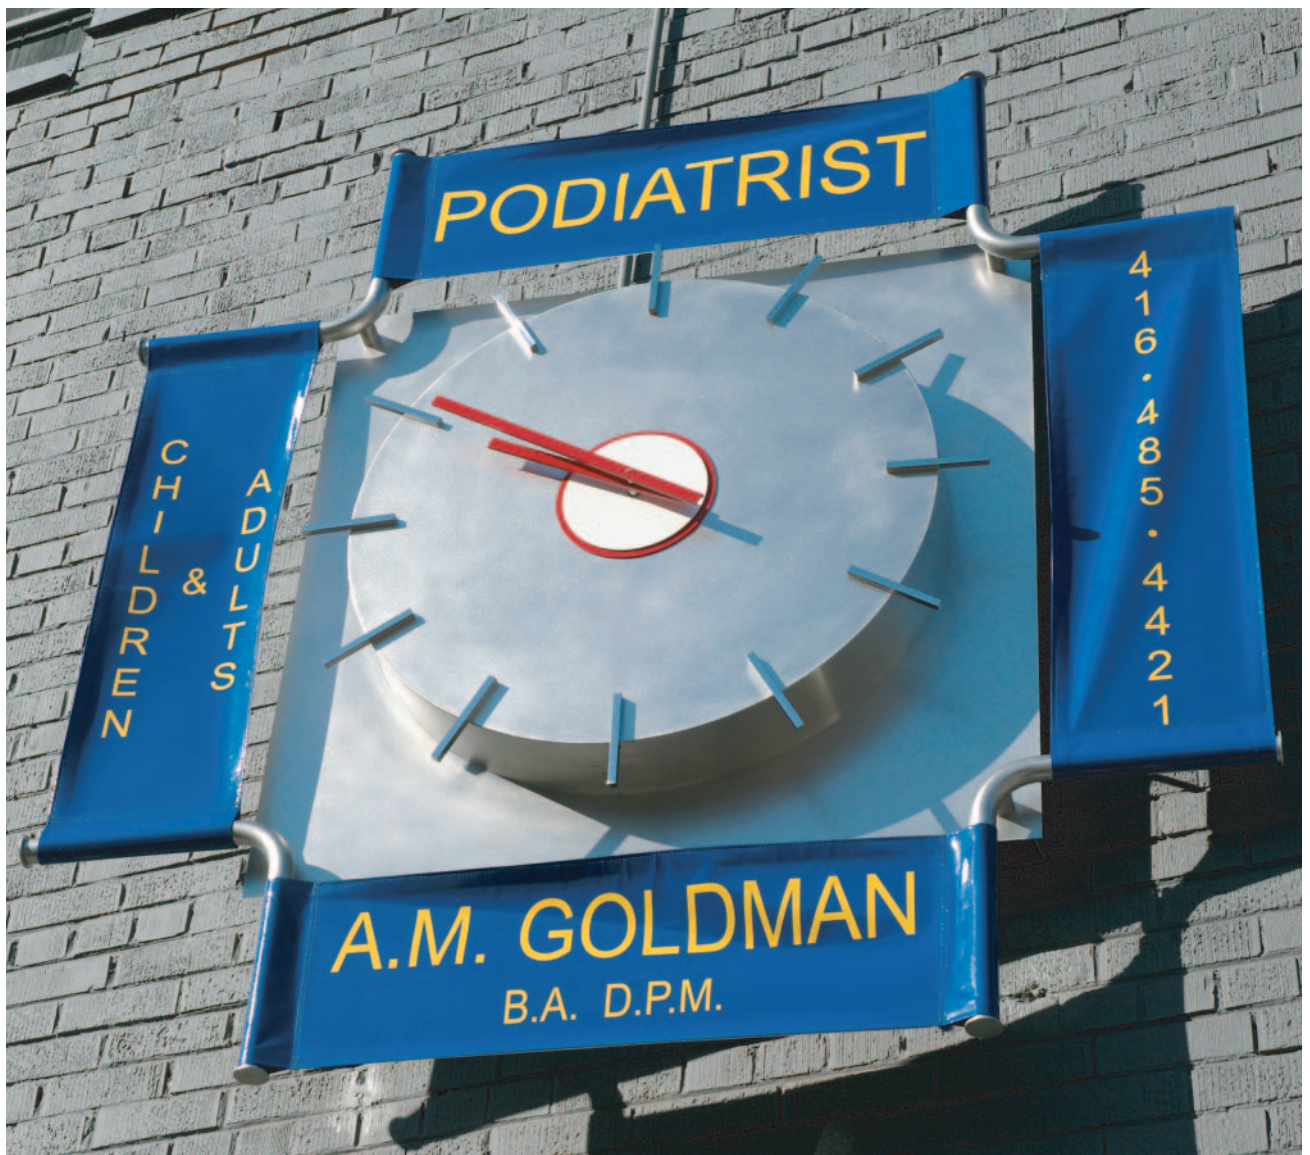

Location Toronto, Ontario
Designer / Architect Soheil Mosun Limited
Duration Jul 2006 - Sep 2006

Scope - Soheil Mosun Limited was commissioned to design, fabricate and install (1) 6 ft. square area, stainless steel exterior clock with (4) customized vinyl banners.

Highlights - The clock features non-directional brushed st. stl., with polished st. stl. clock markings. The clock face is accented with 3 ft. long, red clock hands, and a white faceplate ring. The banners are made with blue, weather resistant, vinyl with yellow text. The clock is angled from the building wall to maximize visibility.
