

100 Yorkville At Bellair - Sales Centre Model

Location Toronto, Ontario
Designer/Architect Hariri Pontarini Architects
Duration Nov 2005 - Nov 2005

Scope - SML was commissioned to undertake the townhome addition to the existing 100 Yorkville At Bellair Sales Centre Model.

Highlights - This fast track project was completed in only a few weeks, meeting the client's tight schedule. SML retained top model makers to execute this detailed model, which required realistic material, complete with internal illumination and colour matched exterior finishes.
