

Reichmann Hauer Capital Partners - Custom Lobby Sign

Location First Canadian Place, Toronto
Designer Soheil Mosun Limited
Duration September 2006 - November 2006

Scope - Soheil Mosun Limited was retained to design, manufacture and install these (2) stunning custom lobby signs.

Highlights - The letters were water-jet cut from 1/2" and 1/4" thick stainless steel sheet, then combination finished; utilizing both mirror and brushed treatments. The 1/4" square bronze divider line was also brought to a mirror finish, then 24 carat gold plated. All graphics are pin mounted to the solid bronze panel which has been patina finished to its deep chocolate colour.

Detail of the stainless steel address identifier

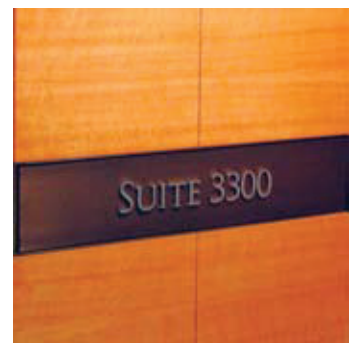

High quality mirror polished finish accented with 24 carat gold plated bronze divider

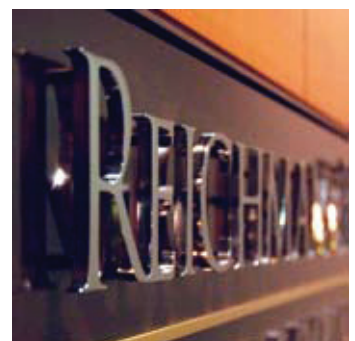

Company identification inlaid into wood panel

The finished result provides a beautiful and highly professional look to this entranceway
