

Concord Adex Investments Limited - Block 12 Public Art - Rabbit

Location Toronto, ON
Designer/Architect Inges Idee
Duration Oct 2018 - Dec 2023

Scope - Soheil Mosun Limited was commissioned to manufacture design, supply and install this large public art installation titled "Rabbit" at Concord Park Place, Block 12. SML worked closely with Kube Steel in the manufacture scopes.

Highlights - Soheil Mosun Limited was contracted to produce this 9.175 metre tall public art installation to be custom made and formed of steel and is based on the artists vision by the in house design manufacturing work at Soheil Mosun Limited. There are nine (9) foundation stools which the sculpture sits upon and these have been treated to be fully weather resistant. The sculpture is painted to represent a highway, with white traffic lines all along the sculpture. The entire sculpture has been covered in anti graffiti coating.
